In May

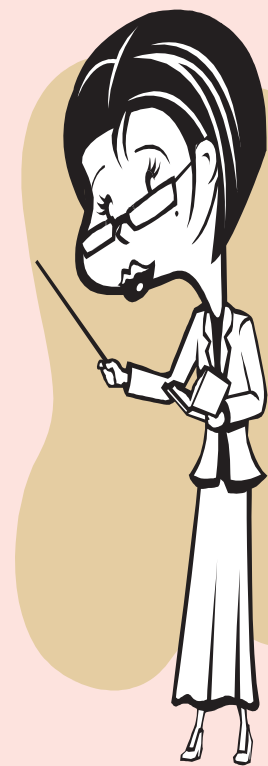

6:00-8:00PM

The Opening 2 Club Bid

Wednesdays in May will focus on the strong 2 Club opening bid: what is a 2 Club opening hand, how do you respond to partner's 2 Club opening bid with/without interference, finding the right game or slam, playing the hand, as well as defending against the slam & finding the right lead.

Students are welcome to attend with or without a partner. Pre-registration not necessary, but a very good idea.

\$25 per class.

More fun with more tools. Each month will focus on a specific convention. Learn how to get to your best contract, to interfere and to elicit needed information from partner. Each hand will be fully analyzed with take-home material relevant to each lesson. Questions: irma435@aol.com
